Reporting Period: 15 July 1957 - 31 March 1959

25X1

I am well acquainted with [REDACTED] and with his outstandingly good performance in a demanding and difficult position over the last four years. Although he has not, during this period, worked under my direct supervision since he has been stationed overseas, I feel I have had every opportunity to follow his progress and I can fully support the views expressed by his immediate supervisor, Colonel Beerli, and the Reviewing Official, Mr. Cunningham.
